April is Youth Month!

This April, please join in and celebrate our Young Savers, during National Credit Union Youth Month.

This year's theme is: *"Be a credit union saver and your savings will never go extinct."*

Youth month is about giving children the tools to plan and save for their futures. We'd love to be part of their financial journey!

During Youth Month, each new **Young Saver Kids Club** savings account opened with MFCU, will receive a special gift* and an entry into a Grand Prize drawing, valued at \$75!

For Young Savers aged 13-17, we now offer **Teen Checking** accounts, with a qualified adult co-owner! Teen Checking is a perfect way to help your teen build good spending habits with

the freedom of their own debit card, while still giving parents control to monitor their spending.

Does your child already have a Young Saver account? Great, because we have something for them too! All Young Savers can get an entry into our prize drawing when they complete and turn in a Youth Month coloring page, available online or in the branch.

Join the celebration and help your Young Savers start saving for their future today!

** Gifts available while supplies last*

Dormant Accounts

Mokelumne Federal Credit Union would like to make you aware: If your account has not experienced activity for at least 12 months, it is classified as dormant or inactive. Dormant / inactive accounts are subject to a \$5.00 per month fee. You can easily reactivate your account and avoid this fee by making any kind of transaction to your account.

State law requires account balances be surrendered or escheated to the State of California if the owner has not generated account activity within three years.

To avoid this, we encourage you to take action as soon as possible. Please contact a branch nearest you to assist in protecting your funds.

Accounts with no activity for twelve months are classified as dormant
